

# Curriculum Vitae – Anders Ringstad

Head of Consulting Services | MSc in Forestry

## Executive Summary

Forestry economist and certified appraiser with broad experience in forest property valuation, strategic consulting, and land-use advisory. As Head of Consulting Services at NORSKOG, he leads a team of specialists delivering high-impact projects across Norway and internationally. The expertise spans from valuation of forest portfolios, transaction support, expropriation and property rights disputes, to forest conservation. A strong academic foundation and hands-on experience in the private sector combined with analytical precision and practical insight. Structured approach, cross-sector collaboration, and ability to navigate complex regulatory and market environments.
